moodLearning eCoach

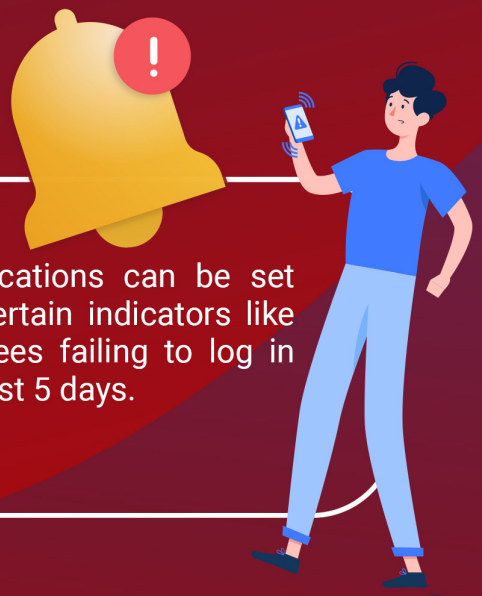
An add-on to moodLearning-powered learning management system (LMS), moodLearning eCoach helps you run your mentoring program.

Coaches or mentors have access to progress reports, grades, submissions, feedback on their mentees who are tracked across courses.

eCoach

Get it as part of Blearn Mobile from

Google Play



Notifications can be set for certain indicators like mentees failing to log in the last 5 days.

NOTE

A company code is needed to use moodLearning eCoach and Blearn Mobile.
